GRADES (specified by Ramblers) *

Easy access - Suitable for everyone, including people with conventional wheelchairs and pushchairs, using easy access paths. Comfortable shoes or trainers can be worn. Assistance may be needed to push wheelchairs on some sections.

Easy – Suitable for anyone who does not have a mobility difficulty, a specific health problem or is seriously unfit. Suitable for pushchairs if they can be lifted over occasional obstructions. Comfortable shoes or trainers can be worn.

Leisurely – Suitable for reasonably fit people with at least a little country walking experience. May include unsurfaced rural paths. Walking boots and warm, waterproof clothing are recommended.

Moderate – Suitable for people with country walking experience and a good level of fitness. May include some steep paths and open country, and may be at a brisk pace. Walking boots and warm, waterproof clothing are essential.

Strenuous – Suitable for experienced country walkers with an above average fitness level. May include hills and rough country and may be at a brisk pace. Walking boots and warm, waterproof clothing are essential. People in doubt about their fitness should contact the organiser or leader in advance.

Technical – Suitable for experienced and very fit walkers with additional technical skills. May require scrambling and use of ropes, ice axes and crampons. You must contact the organiser or leader in advance for further details.

When submitting your walk for the programme, please make sure that:

- * dogs are allowed in the area
- * when parking along a road or a lay-by there is enough parking space
- * you have checked parking charges when parking in a car park of your choice. If there are charges, please mention them in your walk description

- * you have been given permission to park in a village hall car park
- * the distance specified on walks is not underestimated
